

Downloading Gallery Categories in Notebook™ Software 9.x and 10.x

Applies to: Notebook™ software 9.x and 10.x for Windows®, Mac and Linux® operating systems

Overview

This article describes how to download gallery categories in Notebook software 9.x and 10.x.

Details

Use the Notebook software update feature to automatically download gallery categories.

To download Gallery categories in Notebook software

1. Press the **Gallery** tab.
2. Press the **Show additional Gallery actions** button, and select **Check for Updates > SMART Essentials for Educators**.

The *SMART Essentials for Educators Setup* dialog box appears.

3. Select the gallery categories you want to download.
The categories appear in the **Summary of Changes** box.
4. Press **Next**.
Notebook software downloads the categories to your computer.
5. Press **Finish**.
6. Restart your computer.
